### FROM OUR ACTING PRINCIPAL

#### **Year 5 + 6 Production - It's A Jungle Out There**

Last Thursday we were entertained by the Years 5 and 6 production of 'It's A Jungle Out There.' The students performed really well in their class songs and dances, the main characters used excellent expression, the dancers and acrobats demonstrated energy and precision and the choir sang the songs enthusiastically. This was accentuated by the amazing costumes and make-up. It was a big couple of days for our students who had dress rehearsals and two performances to focus on.

A massive well done to the students for participating so well and to the staff and volunteers who gave up so much of their time and energies to support a production like this. Lucy Nicolson for working with our lead actors and directing the performance, Cat McGregor for leading the choir, Athena Archer for choreographing the dances, Belle Munro and Rebecca Russell for make-up, Sarah Byrnes and Maria Janecic for costuming, Liam Murphy and Michael Mumford for sound and lighting and Julie Lach for creating the sets. These staff members have worked with Year 5 and 6 staff and the admin staff to make this production possible.

## Footy Day—POSTPONED

Due to the weather forecast we had to postpone our Footy Day this week. St. Kilda Football Club Community Team needed a decision from us early in the week, as to whether we thought the event could go ahead with the use of their inflatables etc. With Thursday's weather forecast of rain, hail and wind, we decided that we should reschedule the event early in Term 4. The new date for this event is Wednesday 4th October.

## Bike Education

This week our Year 4 students brought their bikes to school to have their first Bike Ed session. This important session is to identify any adjustments or repairs that need to be made to the children's bikes. It is a good reminder to us all to check that our bikes are roadworthy leading into the spring months.

## Year 6 Camp

On Monday morning our Year 6 students will be setting off to their three day camp at The Summit in Trafalgar, Gippsland. This is the second year we have used this camp and based on the feedback we received from teachers and students last year, we know they will be in for a memorable and fun time. We wish our Year 6 students and staff a safe and enjoyable time away.

# Meet Some of Our Students Leaders

Hi, my name is Koby and I am the School Captain at A.G.P.S. My hobbies/ interests are soccer and learning, especially new skills. I got inspired to try for this role by the other School Captains before me because they were an inspirational team and they always looked like they were having fun so I wanted to have fun too. What I bring to this role is happiness and calmness because I always have a smile on my face and in a stressful situation I always am calm. To help AGPS to be a better school even though AGPS is already an excellent school, I will try to help everyone to have a voice and if anyone wants to help the school they can ask me or any of the other school leaders. If I had advice for the next year's students trying out for School Captain, I would Just say try your best and always believe you can get the role and make sure you're not disappointed if you don't get the role, trust me in Year 6 you get a lot of chances to be a leader.

My name is Winona L, and I'm a Falcon House Captain Hobbies and interests? I love basketball, tennis and most sports in general and playing games with family and friends. Who or what inspired you to nominate for this role? Mainly my parents and family members, but I also went for it because I really like sport. What do you think you bring to this role? I think I bring a helpful and funny personality to my role. What would you like to achieve in this role and for our school over the second half of this year? I would like to leave a good impression of myself and my role, and someone that is friendly and helpful. What advice would you give to Year 5's hoping to take on this leadership role in 2024? If you're going for a role and you don't know if your going to get it just never back down and never give up.

# Meet Some of Our Students Leaders

Hi my name is Bella and some of my hobbies are reading, art, crafts and drawing. I am the Vice Captain with Will. My Year 5 teacher, Mr Wonnacott, inspired me to get this role and to be confident when doing it. I think I bring some confidence and responsibility to the role. I would like to achieve not being so nervous before an assembly and not speaking so quietly. The advice I'd give to the year fives is if you think you can't do it and that's why you're not going for the role then ignore that feeling and just go for it and also put roles that you'll be passionate about and won't get bored doing.

My name is William T and I'm a Vice Captain at AGPS. I enjoy playing basketball and learning, especially Maths. I was inspired to run for this role by my elder brother, David who was a Vice Captain of AGPS two years ago. My skills and qualities are my courteousness because I'm extremely kind and my punctuality due to the fact that I always arrive on time. My goals are to help younger students become great leaders by supporting the junior Student Representative Council (SRC). The only advice I have towards year 5s hoping to take on our role next year in 2024, is to "be yourself, as trying to constantly show off to others won't work."

My name is Ruby Marsh-Bibb and I am one of the Environmental Leaders at A.G.P.S. My hobbies are playing netball, footy and painting. I was inspired to go for this role by mostly my parents and friends, but also because I care about animals and the environment. I believe I bring responsibility, care, respect and compassion to people around me and to my leadership role at our school. I would like to bring a good attitude no matter what to my role and also someone who cares for others and can get a task done. Some advice to give to the Year 5s for 2024 is if you want a role, the only thing you need to do is try, because if you don't have a go, you will never know if you would have succeeded or not.

Hi our names are Alisha and Declan and we are your 2023 Kookaburras House captains. Alisha's interests are swimming, gymnastics and playing on the trampoline. Declan's interests are soccer, bike riding and cricket. The people who inspired us to go for this role are Mr. King, Mrs. Davidson and Mrs. Gomolis. We would like to make the school a better place along with everybody else. This is a great role to go for because you get to do Sports borrowing and help Mr. King out loads.

# STARS OF THE WEEK

## TERM 3 WEEKs 7 & 8

Foundation—Year 2

Years 3 & 4

Years 5 & 6

# Performing Arts @ AGPS

## Production

Congratulations to everyone! What a success. I am so proud of the children, grateful to the staff and immensely thankful to all the volunteers. We couldn't have done it without you all. Staging a production is a huge team effort. A production team of 11 dedicated AGPS staff and all the Years 5 & 6 teachers gave 100% of their spare time to make it happen. We entered uncharted waters, wanting to stage this in our own Gym and we have learned so much that following productions will be better and better. Vanessa Macdonald took heaps of photos, and they will be available to parents to access very soon. Watch this space....

## Recycling

In line with our PYP units 'Sharing the Planet' we will be creating our own instruments in Term 4. If you have any waste to donate, we would appreciate: Tubes (preferably with lids) for shakers and rain makers, shoe boxes and largish tins for drums, Paper or plastic plates for tambourines and anything to decorate them would be greatly appreciated.

## Band

Our senior students will be continuing with their instrumental studies after a term's break where they enjoyed singing, dancing and acting for our annual school production. We will resume ukulele, recorder, keyboard and drumming in the anticipation of forming bands in Term 4. To gain the most benefit from these classes, it is advised that students have these instruments at home as well, to practice. This is not compulsory. We have enough class instruments for all children but unfortunately, we cannot allow them to be taken home. Music is a core subject in secondary school, and we try to prepare our AGPS students for the transition as best we can.

## Choir

We are so proud of our senior choir. They performed with such enthusiasm and musicianship. We are so glad we chose to use 'LIVE' singing for the production in place of pre-recorded music as we have done in the past. They are a huge credit to Mrs McGregor. Choir will continue during Term 4 lunchtime clubs, and I hope members will return with gusto.

## Senior Dance Troupe

We are also so proud of our senior dance troupe. Ms Archer rehearsed them twice a week during their lunch times (and sometimes more) to achieve the high standard of their two numbers, "Roar" and 'Eye Of The Tiger', in the production. They are so enthusiastic they have already requested continuing and have chosen their number for the Christmas concert!

## Christmas Concert

We are returning to LIVE Christmas celebrations this year- YEAH! Please put Thursday 7<sup>th</sup> December in your diaries. We look forward to seeing you there, supporting your students in their performances.

Merry Music Making Everyone!

*Mrs Nicolson and Mrs McGregor.*

We will dedicate a special celebration to the Premiership winning team too!

## Year 4 Bike Education - Spare Bikes

In readiness for our **Year 4 Bike Ed Program** in **Term 4**, the PE department is still seeking any **second-hand bikes** that can be used as spare bikes for students to use throughout the program.

If you have any bikes that don't get used anymore and are suitable and in good condition for students in Year 4, then we are happy to take them off your hands to use for our Bike Ed program in Term 4.

If you have a second-hand bike/s that you don't need and would like to donate it/them to the school for our Bike Ed program, please contact **Mr. King** on Class DOJO or at the school.

*Mr. Braden King*

## What's been happening?

In our most recent sessions, we have been assigning our children leadership roles and tasked them with interviewing their peers to gather feedback and ideas for enhancing our service. The children's enthusiasm for taking on these responsible duties has been wonderful to see, and it has had a profoundly good impact on how we operate our sessions.

Additionally, we've modified our service by updating our culture wall and adding a new feature that allows both children and families to interact. This entails asking them to identify on the world map the regions with which they have the deepest sense of kinship.

## GLOWTOPIA

On September 7th, here at TheirCare, we will hold our very own GLOWTOPIA. There will be party food, glow sticks, group games and plenty of fun. This event will be donating all proceeds to The Lighthouse Foundation charity to help end youth homelessness.
